Supplemental briefing ordered

The parties are requested to brief the significance of the United States Supreme Court's opinion in *Snyder v. Louisiana* (March 19, 2008, 06-10119) __U.S.__ [2008 WL 723750]) on the issue of whether an appellate court must perform a comparative juror analysis for the first time on appeal to evaluate the genuineness of the prosecutor's reasons for peremptorily challenging prospective jurors. The parties are directed to file simultaneous supplemental letter briefs limited to this question on or before April 7, 2008. The parties may file simultaneous letter reply briefs on or before April 17, 2008.

The parties are requested to address the following questions:

- (1) Is the underlying order of this case an appealable order? (See Pen. Code, § 1237; *People v. Gallardo* (2000) 77 Cal.App.4th 971.)
- (2) If not, is the order subject to discretionary writ review and, if so, what kind of writ?
- (3) If the order is not appealable but is reviewable by a discretionary writ, may and should this court treat the purported appeal as the appropriate writ and exercise its discretion to decide the merits of the issue that has been briefed?

S034800 **PEOPLE v. DE HOYOS (RICHARD LUCIO)**

Order filed

The confidential letter request in the above-referenced pending automatic appeal by former habeas corpus/executive clemency counsel Michael A. Mendelson, dated February 25, 2008, regarding the \$59,875 previously ordered as reimbursement in conjunction with the separate order vacating his appointment as counsel of record on August 25, 2004, is hereby denied.

S147688 **VIEIRA (RICHARD JOHN) ON H.C.**

Motion to file document under seal granted

Respondent's "request to file documents under seal," filed on September 28, 2007, is granted. The clerk is directed to file under seal respondent's Appendix 1, which was received conditionally under seal on September 28, 2007. On the court's own motion, the clerk is directed to strike the filing of respondent's supplemental informal response, filed October 10, 2007, and petitioner's reply to the informal response, filed December 10, 2007. The supplemental informal response and the reply to the informal response are defective because they refer to sealed confidential materials that were lodged conditionally under seal in this court. (See Cal. Rules of Court, rule 8.160(g).) Respondent must serve and file a new supplemental informal response by April 28, 2008. Petitioner may serve and file a new reply to the informal response within 30 days of the filing of the new supplemental informal response. Any portion of the supplemental informal response or reply to the informal response that discloses material filed under seal must itself be lodged conditionally under seal and the party seeking to file it must file an application to file such portion under seal.
